FROM PRINCIPAL'S DESK

Join College of Basic Science and Technology to gain holistic knowledge that strikes a balance between cognitive growth, emotional wellbeing, scientific skills and good physical and mental health that will prepare you to meet the challenges of life and enable you to become the cherished member of the global scientific society because after all education is not just remembering some facts but the lightening of a fire. Education is also not only about getting a job and becoming a rich person but also transforming the life and thinking process of a person. As Mahatma Gandhi has said live as if you will die tomorrow and learn as if you will live forever.

**Prof. Somendra Kumar Pal
Principal, CBST, Bls.**
